QUESTIONS ON THE EMERGENT CHURCH?

Many people have been asking us about the Emergent Church. Dr. Bill Goetz, an author, long-time pastor and a member of our Fellowship, has written a booklet about this serious assault upon orthodoxy and the truth of Scripture. It will help answer your questions about this pervasive and dangerous movement which is subtly invading the evangelical church.

We are hoping to have the booklet printed and ready by the time we send you the September Revival News. If you would be interested in receiving a copy, please let us know at the office, and we will reserve one for you.
